(ii)	Opening Date for Online Applications	04 November, 2024
(iii)	Closing Date for Online Applications	03 December, 2024

1. **Railway Recruitment Cell, Northeast Frontier Railway (RRC/NFR)** invites ONLINE applications from eligible candidates for engagement as Act Apprentices for imparting of training under the **Apprentices Act 1961** in designated trades in workshops and units in the jurisdiction of **Northeast Frontier Railway** against **5647 slots**.
2. Applications are to be submitted **ONLINE only** through the following link provided in **RRC/NFR's website** - www.nfr.indianrailways.gov.in --> **General Info** --> **Railway Recruitment Cell GHY**
3. Candidates will be shortlisted on the basis of their academic results (as explained below in para 4) and their document verification (DV) – which will be held in the divisions/units, as per choice mentioned in their applications. **Candidates must note that no centralized merit list will be formed.**
4. **MODE OF SELECTION:**
 - 4.1 Apprentices will be selected on the basis of unit-wise, trade-wise and community-wise merit position. The merit list for each unit will be based on percentage of marks obtained in Matriculation (with minimum 50% aggregate marks) + ITI marks in the trade in which Apprenticeship is to be done. The final panel **will be on the basis of average of marks in matriculation and ITI.**
 - 4.2 However, for **Laboratory Technician (Pathology)** and **Laboratory Technician (Radiology)**, merit lists will be prepared on the basis of percentage of marks obtained in **Matriculation** (with minimum 50% aggregate marks) + **12th Science** (in Physics, Chemistry & Biology).
 - 4.3 For the purpose of calculation, the marks obtained by the candidates **in all the subjects** in Matriculation/ Higher Secondary (where applicable). In other words, the calculation will **not** be on the basis of marks of any one or a group of select subjects - like 'best of five' etc.
 - 4.4 Similarly, for ITI, the **average marks** mentioned in the consolidated statement of marks for all semesters of the trade applied / marks mentioned in the provisional National Trade Certificate issued by NCVT/SCVT, will only be reckoned. Any false/wrong declaration of marks, will lead to summary disqualification of the candidate.
 - 4.5 **NOTE:** When there are two or more candidates having equal marks, the older candidate in age, shall be ranked higher. In case their date of birth is also same, then the candidate who passed matriculation exam earlier shall be considered first.
 - 4.6 The final merit lists will be prepared unit wise, trade wise and community wise, equal to the number of slots in descending order of percentage of marks as stated above. Shortlisted candidates, thus enlisted for respective units, will be called for document verification to the extent of 1.5 times of the notified vacancies.
 - 4.7 Candidates finally enlisted would be subject to verification of their original testimonials and production of medical certificate as per annexure attached.
5. **IMPORTANT:** During submission of ONLINE application, a **Registration Number** will be issued to each applicant and it must be preserved and mentioned during further stages of the selection process/ correspondence with RRC. **Similarly, candidates must not change their registered mobile numbers and registered email addresses during the entire process of selection for necessary correspondence.**
